

Makes smoke testing operations safe, efficient and effective.

The "Original" Liquid Smoke Generator does it all. Add the M-45 Plumbing Conversion Kit to the versatile M-45 Thermal Smoke Generator and detect odors, leaks, illicit connections and more in plumbing and pipe lines.

The Kit includes:

- 20 gauge 8" x 4" steel reducer
- Heavy Duty – 5 foot of clear flexible steel reinforced duct hose
- Adjustable 8" & 4" hose clamps
